

# PowerMediaPlus Account Information

## BRIDGEPORT ISD

### Bridgeport High

## Accessing PowerMediaPlus

To access PowerMediaPlus video resources: [www.powermediaplus.com](http://www.powermediaplus.com)

PowerMediaPlus accounts have been created for all Region XI users holding a UnitedStreaming login as of March 1, 2005 using their existing UnitedStreaming username and a generic initial password (**Texas**). To login to PowerMediaPlus the first time:

- ▶ Go to [www.powermediaplus.com](http://www.powermediaplus.com)
- ▶ On the left underneath "Subscriber log in", enter your UnitedStreaming username in the Username box
- ▶ Enter **Texas** in the Password box
- ▶ If you would like PowerMediaPlus to login for you automatically each time you return, click the box next to "Remember Me"
- ▶ Click **Log in**
- ▶ The first time you login you will see your personal profile – you will want to update your profile and change your password to your own unique password (to return here at any time, click [Your Profile](#) at the top of the window)
- ▶ Scroll to the bottom and click **SAVE** to continue

## To Create a New Teacher Account

For new users, the General Password is used at the PowerMediaPlus log-in screen to **create new teacher accounts**. Each campus has its own unique General Password for creating a teacher account.
