

BRIDGEPORT

INDEPENDENT SCHOOL DISTRICT

Parents/Guardians of Pre-Kindergarten Students,

Your child is participating in Bridgeport ISDs full day Pre-Kindergarten program. There will be a tuition charge for your child, which is to be paid in advance. We are offering three different payment plans for you to choose from.

_____ **Option 1** - On the first day of class for each semester of the 2022-2023 school year, payment may be made in full for the semester. The cost will be \$2000 per student. Total cost \$4000/yr.

_____ **Option 2** - Ten payments will be made, with the first payment required on the first day of class for each month. The cost will be \$400/month. Total cost \$4000/yr.

_____ **Option 3** - Twenty payments will be made, with the first payment required on the 1st of the month and the second payment required on the 15th of the month. Each payment will be \$200. Total cost \$4000/yr.

If at any time payments become ten days late, the School shall have the option of dismissing the student until all payments are made.

Any change in tuition status or withdrawal from Pre-Kindergarten classes will justify a partial refund based on a daily cost rate if an advance payment has been made.

Please indicate which payment plan you are choosing for the 2022-2023 school year, include the Pre-Kindergarten student's name and your signature, and return this form to the Bridgeport Elementary Office. Payments may be made to the BES office.

Pre-Kindergarten Student Name: _____

Signature of Parent/Guardian: _____

Thank you,
Martha Bock
Bridgeport Elementary Principal
